The image features a central dark green hexagonal area containing the text "GraviTrax Junior Fall 2026 Novelties" in a bold, yellow, sans-serif font. This central area is surrounded by four smaller hexagonal images. The top-right image shows a child's hands interacting with a circular arrangement of colorful GraviTrax pieces on a light-colored rug. The bottom-right image is a close-up of a white GraviTrax structure with a yellow ramp and a blue ball. The bottom-left image shows a child in a white shirt looking down at a GraviTrax setup. The top-left image is a solid yellow hexagon. The bottom-right image is also a solid yellow hexagon. The background of the entire image is a light cream color with a subtle pattern of white and light green hexagons.

Horrified Dungeons & Dragons Ravenloft

Continuing a powerful partnership with new art and gameplay perfect for horror fans!

Enter the gothic world of Ravenloft and face 4 terrifying monsters from D&D's most popular horror setting! Challenge the mastermind vampire Strahd, the fearsome Baba Lysaga witch and her giant walking hut, the Gulthias Tree and its menacing tree blight minions, and the deadly doll-sized Carrionette.

- A follow-up game in a very popular D&D setting that will be a focus for licensor in 2026 .
- For the first time, heroes can accept "Dark Gifts," giving them new abilities in exchange for becoming monstrous themselves!
- Creepy gothic art style has high affinity with Horrified fans old and new.
- Crossover impact of D&D with the horror setting allows for success in a variety of sales channels.
